

Hello, my name is Jed Wyatt. I was asked to prepare a paragraph or so as to my qualifications and why I would like to remain on the Board at CCSSEF.

I have twice been a member of this organization, totaling approximately fifteen years. During that time, I and my family have shot for pleasure and competition. I have participated in activities, work parties, and helped set-up and break down for shoots.

Our son was a member of the Junior Rifle Team that went to Camp Perry in 2009, and I accompanied the team as a chaperone.

Last year after a Board member resigned, I was approached by another Board member inquiring if I might have an interest in serving on the Board. I agreed and was voted in by the BOD.

I think that my concerns and opinions are in keeping with the desired progression of CCSSEF. I would like to continue with my involvement with the Board and am asking for your vote to do so.

Thank you for your time.

Sincerely,

Jed W. Wyatt
